## :NOTIFICATION:

**An alumni association is an association of graduates or, more broadly, of former students (alumni).**

These associations often organize social events, publish newsletters or magazines, and raise funds for the organization. Many provide a variety of benefits and services that help alumni maintain connections to their educational institution and fellow graduates. Most associations do not require its members to be an alumnus of a university to enjoy membership and privileges. Additionally, such groups often support new alumni, and provide a forum to form new friendships and business relationships with people of similar background.
