An Electoral Literacy Club is a platform to engage school students through interesting activities and hands-on experience to sensitize them on their electoral rights and familiarize them with the electoral process of registration and voting. ELCs are also present in colleges and rural communities.

At ELCs, learning meets fun. Activities and Games are designed to stimulate and motivate students provoking them to think and ask questions. Through ELC, Election Commission of India aims at strengthening the culture of electoral participation among young and future voters.
