:NOTIFICATION:

The Science Club was started with an aim intended to invite many eminent scholars who would share their experience with the students and motivate them to get scientific knowledge. Activities are designed primarily to introduce students to undertake interesting/exciting science and technology projects.

The Science Club consists of a group of students who want to explore the many branches of mathematics, and science. The club is open to all students. The purpose of the Science Club is to promote interest, understanding, and knowledge of the scientific world amongst the college students and local community.
